Come Back... Be Here by Taylor Swift

You said it in a simple way	And (6) is when the feeling sinks in
Four a.m. the second day	I don't wanna miss you like this
How (1) that I don't know you at all	Come back, be here
Stumbled through the long goodbye	Come back, be here
One last kiss, then catch your flight	I guess you're in London today
Right when I was just about to fall	I don't wanna need you this way
I told myself don't get attached	Come back, be here
But in my mind I play it back	Come back, be here
Spinning (2) than the plane that took you	This is (7) in love in the cruelest way
And this is (3) the feeling sinks in	This is falling for you and you are worlds away
I don't wanna miss you like this	New York be here
Come back, be here	But you're in London and I break down
Come back, be here	'Cause it's not fair that you're not around
I guess you're in New York today	This is (8) the feeling sinks in
I don't wanna need you this way	I don't (9) miss you like this
Come back, be here	Come back, be here
Come back, be here	Come back, be here
The delicate (4) rush	I guess you're in New York today
The feeling you can know so much	And I don't wanna need you this way
Without knowing anything at all	Come back, be here
And now that I can put this down	Come back, be here
If I had known what I know now	I don't wanna (10) you like this
I never would have played so nonchalant	Come back, be here
Taxi cabs and busy streets	Come back, be here
That never (5) you back to me	
I can't help but wish you took me with you
