

That never bring you back to me

I can't help but wish you took me with you

## Come Back... Be Here by Taylor Swift

You (1) it in a simple way	And (9) is when the feeling sinks in
Four a.m. the second day	I don't wanna (10) you like this
How strange that I don't know you at all	Come back, be here
Stumbled through the long goodbye	Come back, be here
One last kiss, (2) (3) your flight	I guess you're in London today
Right (4) I was just about to fall	I don't wanna need you this way
told myself don't get attached	Come back, be here
But in my mind I play it back	Come back, be here
Spinning faster than the (5) that (6)	This is falling in love in the cruelest way
you	This is falling for you and you are worlds away
And this is when the feeling sinks in	New York be here
don't wanna miss you like this	But you're in London and I break down
Come back, be here	'Cause it's not fair that you're not around
Come back, be here	This is when the feeling sinks in
guess you're in New York today	I don't wanna miss you like this
don't wanna need you this way	Come back, be here
Come back, be here	Come back, be here
Come back, be here	I guess you're in New York today
The delicate beginning rush	And I don't wanna need you this way
The feeling you can (7) so much	Come back, be here
Nithout knowing anything at all	Come back, be here
And now (8) I can put this down	I don't wanna miss you like this
f I had known what I know now	Come back, be here
never would have played so nonchalant	Come back, be here
Taxi cabs and busy streets
