Mary's Song (Oh My My My) by Taylor Swift

She said, I was seven and you were nine	And all I need is you next to me
I looked at you like the (1) that shined	Take me back to the time we had our very first fight
In the sky	The slamming of doors instead of (6)
The pretty lights	goodnight
And our daddies used to joke about the two of us	You stayed outside til the morning light
Growing up and falling in love and our mamas smiled	Oh my my my my
And rolled (2) eyes and said "oh my my my"	A few years had gone and come around
Take me back to the house in the backyard tree	We were sitting at our favorite spot in town
Said you'd beat me up, you were bigger than me	And you looked at me, got (7) on one knee
You never did, you never did	Take me back to the time
Take me back when our world was one block wide	When we walked (8) the aisle
I dared you to kiss me and ran (3) you tried	Our (9) town came and our mamas cried
Just two kids, you and I	You said "I do" and I did too
Oh my my my my	Take me home where we met so many years before
I was sixteen when suddenly	We'll rock our babies on that very front porch
I wasn't that little girl you used to see	After all this time, you and I
But (4) eyes still shined like pretty lights	And I'll be eighty-seven
And our daddies used to joke (5) the two of us	You'll be eighty-nine
They never believed we'd really fall in love	I'll still (10) at you like the stars that shine
And our mamas smiled and rolled their eyes	In the sky
And said "oh my my my"	Oh my my my
Take me back to the creek beds we turned up
