

Fill in the gaps

Mary's Song (Oh My My My) by Taylor Swift

She said, I was seven and you were nine	And all I (16) is you (17) to me
I looked at you like the stars that shined	Take me (18) to the time we had our very first fight
In the sky	The slamming of doors instead of kissing goodnight
The (1) lights	You stayed outside til the morning light
And our daddies used to joke (2) the two of us	Oh my my my my
Growing up and (3) in (4) and	A few (19) had (20) and come
our mamas smiled	around
And rolled their eyes and said "oh my my my"	We were sitting at our favorite spot in town
Take me back to the house in the backyard tree	And you (21) at me, got down on one knee
Said you'd beat me up, you were bigger (5) me	Take me (22) to the time
You (6) did, you never did	When we walked (23) the aisle
Take me back when our (7) was one block wide	Our whole town (24) and our (25)
I (8) you to kiss me and ran when you tried	cried
Just two kids, you and I	You said "I do" and I did too
Oh my my my	Take me home where we met so many years before
I was sixteen when suddenly	We'll rock our (26) on that very front porch
I wasn't that little girl you used to see	After all this time, you and I
But your eyes (9) shined like pretty lights	And I'll be eighty-seven
And our daddies used to joke about the two of us	You'll be eighty-nine
They never believed we'd really (10) in love	I'll still look at you (27) the stars that shine
And our (11) (12) and	In the sky
(13) their eyes	Oh my my my
And said "oh my my my"	
Take me (14) to the (15) beds we	
turned up	
2 a.m. riding in your truck
