You should've gone home

## Fill in the gaps

It's strange to think the (1)\_\_\_\_ we used to sing You should've thought twice 'fore you let it all go The smiles, the flowers, everything is gone... You should've know that word Yesterday I found out about you But with what you did with her Even now just looking at you feels wrong Get back to me (get back to me) You say that you'd take it all back And I should've been there Given one chance In the (5)\_\_\_\_\_ of your mind I shouldn't be asking myself "why?" It was a moment of weakness And you said "yes" You shouldn't be begging for You should've said "no" Forgiveness at my feet... You should've (2)\_\_\_\_ \_\_\_ home You should've said "no" You should've (3)\_\_\_\_\_ \_ twice 'fore you let it all go Baby, and you might still (6)\_\_\_\_\_ me You should've know that word I can't resist With what you did with her Before you go tell me this Was it worth it? Get back to me (get back to me) And I should've been there Was she worth this? In the back of your mind No no, no no no, no I shouldn't be asking myself "why?" You should've said "no" You shouldn't be begging for You should've gone home Forgiveness at my feet... You should've thought twice 'fore you let it all go You should've said "no" You should've know that word Baby, and you might still have me But with what you did with her You can see that I've been crying Get back to me (get back to me) And I should've (7)\_\_\_\_\_ there Baby you know all the right things to say But do you In the back of (8)\_\_\_\_\_ mind Honestly expect me to believe I shouldn't be asking myself "why?" We could ever be the same? You shouldn't be begging \_ at my feet... You say that the past is the past For (9) You need one chance You should've said "no" It was a (4)\_ \_\_ of weakness Baby, and you (10)\_\_\_\_\_ still have me And you said "yes" You should've said "no"
