SUB inglés

You should've said "no"
You should've gone home

Fill in the gaps

Should've Said No (Live) by Taylor Swift

It's strange to think the songs we used to sing			You should've thought twice 'fore you let it all go		
The smiles, the flowers, (1)		is	You should've know that word		
gone			But with what you did with her		
Yesterday I found out about you			Get back to me (get back to me)		
Even now just (2)	at you (3)		And I should've been there		
wrong			In the back of your mind		
You say that you'd take it all back			I shouldn't be asking myself "why?"		
Given one chance			You shouldn't be begging for		
It was a (4) of weakness			Forgiveness at my feet		
And you (5) "yes"			You should've said "no"		
You should've said "no"			Baby, and you (8)	(9)	have me
You should've gone home			I can't resist		
You should've thought twice 'fore you let it all go			Before you go tell me this		
You should've know (6) word			Was it worth it?		
With what you did with her		Was she worth this?			
Get back to me (get back to me)			No no, no no no, no		
And I should've been there			You should've said "no"		
In the back of your mind			You should've gone home		
I shouldn't be asking myself "why?"			You should've thought twice 'fore you let it all go		
You shouldn't be begging for			You should've know that word		
Forgiveness at my feet		But with what you did with her			
You should've said "no"			Get back to me (get back to me)		
Baby, and you might still have me			And I should've been there		
You can see that I've been crying			In the back of your mind		
Baby you know all the right things to say			I shouldn't be asking (10)	"why?	"
But do you		You shouldn't be begging			
Honestly expect me to believe			For forgiveness at my feet		
We could ever be the same?			You should've said "no"		
You say that the past is the past			Baby, and you might still have me		
You (7) one chance					
It was a moment of weakness					
And you said "yes"					

- 1. everything
- 2. looking
- 3. feels
- 4. moment
- 5. said
- 6. that
- 7. need
- 8. might
