

Enchanted by Taylor Swift

There I was again tonight
Forcing laughter, faking smiles
Same old tired, lonely place
Walls of insincerity
Shifting eyes and vacancy
Vanished (1)_____ I saw your face
All I can say is it was enchanting to (2)_____ you...
Your eyes whispered "have we met?"
Across the room your silhouette
Starts to make it's way to me...
The playful conversation starts
Counter all your quick remarks like
Passing notes in secrecy
And it was enchanting to meet you...
All I can say is I was enchanted to meet you...
This night is sparkling
Don't you let it go
I'm wonderstruck, blushing all the way home
I'll spend (3)_____ wondering if you knew
I was enchanted to meet you...
The lingering (4)_____ kept me up
2 a.m. who do you love?
I wonder till I'm wide awake
Now I'm pacing back and forth
Wishing you were at my door
I'd open up and you would say (hey)
It was (5)_____ to (6)_____ you...
All I know is I was enchanted to meet you...
This night is sparkling
Don't you let it go
I'm wonderstruck, blushing all the way home

Fill in the gaps

I'll spend forever wondering if you knew...
This night is flawless
Don't you let it go
I'm wonderstruck, dancing around all alone
I'll spend forever wondering if you knew
I was enchanted to meet you...
This is me praying that
This was the very first page
Not where the story (7)_____ ends
My thoughts will (8)_____ your name
Until I see you again
These are the words I held back
As I was leaving too soon
I was enchanted to meet you
Please don't be in love with someone else
Please don't have somebody waiting on you
Please don't be in love with someone else
Please don't have somebody (9)_____ on you
This night is sparkling
Don't you let it go
I'm wonderstruck, blushing all the way home
I'll (10)_____ forever wondering if you knew...
This night is flawless
Don't you let it go
I'm wonderstruck, dancing around all alone
I'll spend forever wondering if you knew
I was enchanted to meet you...
Please don't be in love with someone else
Please don't have somebody waiting on you

Answer

Fill in the gaps

1. when
