

## Fill in the gaps

I walked through the door with you	Maybe we got lost in translation	
The air was cold	Maybe I asked for too much	
But something 'bout it felt like	But (21) this thing was a masterpiece	
Home somehow and I	Till you tore it all up	
Left my scarf there	Running scared, I was there	
At your sister's house and you still got it	I remember it all too well	
In (1) drawer (2) now	Hey you called me up again	
(Oh) your sweet disposition	Just to break me (22) a promise	
And my wide-eyed gaze	So casually cruel in the name of being honest	
We're (3) in a car getting lost upstate	I'm a (23)	up piece of (24)
Autumn leaves (4) down like pieces into	lying here	
place	'Cause I remember it all all	
And I can picture it after all (5) days	Too well	
And I know it's long gone and	Time won't fly; it's like I'm paralyzed by it	
That magic's not here no more	I'd like to be my old self again	
And it might be okay, but I'm not fine at all	But I'm still trying to find it	
'Cause here we are again on (6)	After plaid shirt days and nights	
(7) town street	When you (25) me your own	
You (8) ran the red	Now you mail back my things	
'Cause you (9) looking over at me	And I walk home alone	
Wind in my hair, I was there	But you keep my old scarf	
I remember it all too well	From that very first week	
Photo album on the counter	Cause it (26)	you of innocence
Your (10) (11) turning red	And it smells like me	
You used to be a little kid	You can't get rid of it	
With glasses in a twin-sized bed	'Cause you remember it all too well	
Your mother's (12) (13)	(Yeah)	
'bout you	'Cause there we are again when I loved you so	
On the t-ball team	Back before you lost	
You tell me about your past	The one (27)	(28) you've ever known
Thinking your (14) was me	It was rare, I was there	
And I know it's long gone	I remember it all too well	
And there was (15) else I could do	Wind in my hair, you were there	
And I (16) you long enough	You remember it all	
To (18) why I needed to	Down the stairs, you were there	
'Cause (19) we are again	You remember it all	
In the (20) of the night	It was rare, I was there	
We're dancing round the kitchen	I remember it all too well	
In the refrigerator light		
Down the stairs, I was there		
I remember it all too well		
(Yeah)
