Shattered Dreams by Johnny Hates Jazz

So much for your promises	Nothing but shattered dreams, shattered dreams
They died the day you let me go	Feel like I could run away, run away
Caught up in a web of lies	From this empty heart
But it was just too late to know	From this empty heart
I (1) it was you	I thought it was you
Who would stand by my side	Who said they'd die for love
And now you've (2) me, given me	And now you've given me, (7) me
Nothing but shattered dreams, shattered dreams	Nothing but shattered dreams, shattered dreams
Feel like I could run away, run away	Feel like I could run away, run away
From this empty heart	From this empty heart
You said you'd die for me	You've given me, given me
Woke up to reality	Nothing but shattered dreams, shattered dreams
And found the future not so bright	Feel like I could run away, run away
I dreamt the impossible	From this empty heart
That maybe things (3) (4) out right	(Oh no no no)
I thought it was you	You (8) you'd die for me
Who would do me no wrong	(Oh oh)
And now you've given me, (5) me	Die for me
Nothing but shattered dreams, shattered dreams	So much for your promises
Feel like I could run away, run away	So (9) for your promises
From this empty heart	
You've given me, (6) me
