Please Don't Say You Love Me by Gabrielle Aplin

Summer comes and winter rades		Cause i might not say it back	
Here we are just the same		Fools rush in	
Don't need pressure, don't need change		And I've (6) foo	oled before
Let's not give the game away		This time I'm gonna slow it down	
There (1)	to be an empty space	'Cause I think this could be more	
A photograph without a face		The thing I'm looking for	
But with your presence and your grace		Just please don't say you love me	
Everything falls into place		'Cause I (7) not say it back	
Just please don't say you love me		Doesn't (8) my heart stops skipping	
'Cause I (2) not say it back		When you look at me like that	
Doesn't mean my heart stops skipping		There's no need to worry when	
When you look at me like that		You see just where we're at	
There's no need to worry when		Just please don't say you love me	
You see just where we're at		'Cause I (9)	not say it back
Just (3)	don't say you love me	Please don't say you love	me
'Cause I might not say it back		'Cause I might not say it back	
Heavy words are hard to take		Doesn't mean my heart stops skipping	
Under pressure precious things can break		When you look at me like that	
And how we feel is hard to fake		There's no need to worry when	
So let's not (4) the game away		You see just where we're at	
Just (5)	don't say you love me	Just please don't say you	love me
'Cause I might not say it back		'Cause I might not say it back	
Doesn't mean my heart stops skipping		Just please don't say you love me	
When you look at me like that		'Cause I might not say it back	
There's no need	d to worry when		
You see just wh	ere we're at
