

## Fill in the gaps

There's still a little bit of (1) taste	I long to hear
In my mouth	You step a (12) to me
There's (2) a little bit of you laced	So (14) that I can't see what's going on
With my doubt	Stones taught me to fly
It's (3) a little hard to say	Love, it (15) me to lie
What's going on	Life, it taught me to die
There's still a little bit of (4) ghost	So it's not hard to fall
Your weakness	When you (16) (17) a cannon
There's (5) a little bit of (6) face	Stones taught me to fly
I haven't kissed	And love (18) me to cry
You step a little closer each day	So come on courage
That I can't say what's going on	Teach me to be shy
Stones taught me to fly	'Cause it's not (19) to fall
Love, it (7) me to lie	And I don't (20) scare her
Life, it taught me to die	It's not hard to fall
So it's not (8) to fall	And I don't wanna lose
When you (9) (10) a cannonball	It's not hard to grow
There's still a little bit of (11) song	When you (21) that you (22) don't know
In my ear	
There's still a little bit of your words
