

## Fill in the gaps

She'll lie and steal and cheat	I would do the same, you'd (7) believe
And beg you from her knees	And the highway signs say we're close
Make you think she means it this time	But I don't read those things anymore
She'll (1) a hole in you	I never trusted my own eyes
The one you can't repair	When we were young
But I still love her, I don't really care	(Oh, oh) we did enough
When we (2) young	When it got cold
(Oh, oh) we did enough	(Ooh, ooh) we bundled up
When it got cold	I can't be told
(Ooh, ooh) we bundled up	(Ah, ah) it can't be done
I can't be told	So (8) (9) head up
(Ah, ah) it can't be done	Keep your love
It's better to feel pain	Keep your head up
Than nothing at all	My love
The opposite of love's indifference	Keep your head up
So pay (3) now	My love
I'm standing on your porch screaming out	Keep your (10) up
And I won't leave until you come downstairs	Keep your love
So keep your head up	Head up
Keep your love	Love
Keep your head up	Head up
My love	Love
Keep your head up	Head up
My love	Love
Keep your (4) up	Head up
Keep (5) love	Love
And I don't blame you dear	
For running like you did all (6)
