

Fill in the gaps

I ride all alone and can't see	Riding the wind forever (5)
The (1) to nowhere anymore	High in the wind forever free
And shadows whispers are calling me	I'll ride the wind forever free
To forbidden forests by the shore	High in the wind forever free
And there she fell, deep in the night	Forever free
One breath away from heaven's light	Forever in my hearts a fire, a fire burning
And she (2) don't cry for me, I'm leaving you	I (6) up nights and hear her crying, crying my name
The wind cries her name in the breeze	
But I can't hold her anymore	Riding the wind forever free
Some fallen angel had come to me	High in the wind forever free
And fell to heavy on my soul	I ride the wind forever free
And (3) (4) me the love that I heard	High in the wind forever (7)
Lords of time say never die	Forever (8)
And said - don't cry for me, cause I'll he
