You & Me by Disclosure & Eliza Doolittle

I'll be giving up	'Cause you know you give me something
Home is where the heart is	Yeah, you give me exactly what I need
And I gave it to you in a paper bag	Got my blood pumping
Even though it's tarnished	You know you (6) draw more blood, I bleed
You told me it's the best you ever had	So please don't let go 'cause you know
You got my secret combination	Exactly what we found
And I don't be giving that out easily	So please don't let go, my darling
With my deepest dedication	You keep me hooked up underground
You can (1) (2) you were brought the	It's gonna be you (you)
same for me	And me (me)
So please (3) let go 'cause you know	It's gonna be everything you've ever dreamed
Exactly what we found	It's gonna be who (who)
So please don't let go, my darling	And me (me)
You keep me (4) up underground	It's gonna be everything
It's gonna be you (you)	And everything we're meant to be
And me (me)	In you're big house on the hills
It's gonna be everything you've ever dreamed	Where you keep your Dollar bills
It's gonna be who (who)	And you stashed my heart
And me (me)	Somewhere in the dark
It's gonna be everything	Keep it (7) I know you will
And everything we're meant to be	Know you will, (8) you will, know you will
We're meant to be	I (9) you will
Rolling with the punches	
So they (5) get inside our happiness
