

Fill in the gaps

You say I love you, boy	
I know you lie	
I trust you all the same	
I don't (1) why	
'Cause when my back is turned	
My bruises shine	
Our broken fairy tale	
So hard to hide	
I still believe	
It's you and me 'til the end of time	
When we collide we (2)	together
If we don't we'll always be apart	
I'll (3) a bruise, I (4)	you're worth it
When you hit me, hit me hard	
Sitting in a wishin' hole	
Hoping it (5) dry	
Feet cast in solid stone	
I've got Gilligan's eyes	
I still believe	

It's you and me 'til the end of time
When we collide we (6) together
If we don't we'll always be apart
I'll take a bruise, I know you're (7) it
When you hit me, hit me hard
'Cause you said love
Was letting us go against what
Our future is for
Many of horror
Our future's for
Many of horror
I still believe
It's you and me 'til the end of time
When we collide we (8) together
If we don't we'll (9) be apart
I'll (10) a bruise, I know you're worth it
When you hit me, hit me hard
