

Fill in the gaps

You say I love you, boy
I know you lie
I (1) you all the same
I don't know why
'Cause when my (2) is turned
My bruises shine
Our broken fairy tale
So hard to hide
I still believe
It's you and me 'til the end of time
When we collide we (3) together
If we don't we'll always be apart
I'll take a bruise, I (4) you're (5) it
When you hit me, hit me hard
Sitting in a wishin' hole
Hoping it stays dry
Feet cast in solid stone
I've got Gilligan's eyes
I still believe

it's you and me til the end of time
When we collide we come together
If we don't we'll always be apart
I'll take a bruise, I (6) you're (7) it
When you hit me, hit me hard
'Cause you said love
Was (8) us go (9) wha
Our future is for
Many of horror
Our future's for
Many of horror
I still believe
It's you and me 'til the end of time
When we collide we come together
If we don't we'll always be apart
I'll take a bruise, I know you're worth it
When you hit me, hit me hard
