

## Fill in the gaps

Bat your eyes girl	She (14) in the morning
Be otherworldly	She knew that her (15) had (16)
Count your blessings	her by
Seduce a stranger	And she called out a warning
What's so (1) with bein' happy?	Warning
Kudos to (2) who	Don't (17) let life (18) you by
See through sickness, yeah	Floating in this
Over and over and (3) and over	Cosmic Jacuzzi
	We are like
She (4) in the morning	Frogs oblivious
She knew (5) her life had passed her by	To the water
And she (6) out a warning	Starting to boil
Don't ever let (7) (8) you by	No one flinches
I suggest we	We all float (19) down
Learn to love ourselves before it's	She woke in the morning
Made illegal	She (20) that her life had (21) her
When will we learn? (when will we learn?)	by
When (9) we change? (when will we change?)	And she called out a warning
Just in (10) to see it all come down	Warning
Those (11) standing	Don't ever let life (22) you by
Will (12) millions	Pass you by
Writing books on the way it should (13) been	(Ohh, ohh, ohh)
