Bat (1) eyes girl	She (6) in the morning
Be otherworldly	She knew that her life had (7) her by
Count your blessings	And she called out a warning
Seduce a stranger	Warning
What's so wrong with bein' happy?	Don't ever let life (8) you by
Kudos to those who	Floating in this
See through sickness, yeah	Cosmic Jacuzzi
Over and over and over	We are like
	Frogs oblivious
She (2) in the morning	To the water
She knew that her life had passed her by	Starting to boil
And she called out a warning	No one flinches
Don't ever let (3) (4) you by	We all float face down
suggest we	She woke in the morning
Learn to love ourselves before it's	She knew (9) her life had (10) he
Made illegal	by
When will we learn? (when will we learn?)	And she called out a warning
When will we change? (when will we change?)	Warning
Just in time to see it all come down	Don't ever let life pass you by
Those left standing	Pass you by
Will make millions	(Ohh, ohh, ohh)
