Black Heart Inertia by Incubus

You're a mountain that I'd like to climb

Fill in the gaps

	Not to conquer but to share in the view
Walking alone tonight 'cause	You're a bonfire and I'm gathered 'round you
I've only got room for two	Set this old black heart inertia aflame
Me and my burdened black heart	Send it away
It's all we know how to do	Send it away
Yet I look for a bigger bang	Send it away
Than the kind I continually see	Send it away
Sick of all this (1) I want you to mend me	Send it away (send it away)
Lover, can you help me?	Send it away (send it away)
I'm a child (2) in the woods	Send it (8) (send it away)
A black (3) pollutes me and I think	Send it away (send it away)
You're a mountain that I'd (4) to climb	You're a mountain that I'd like to climb
Not to conquer but to share in the view	Not to conquer but to share in the view
Pulled by a false inertia	You're a bonfire and I'm gathered 'round you
Pushed out by circumstance	Set this old black heart inertia aflame
Pistol firing at my feet that's	Set it aflame, send it away
Coercing me to dance	Set it aflame, send it away
Yet I look for a bigger bang	Set it aflame, send it away
Than the (5) I'm sorry to know	Set it aflame, send it away
Here I am first foot of the climb, watch me go	Set it aflame, send it away
Lover, can you (6) me?	Set it aflame, (9) it away
I'm a (7) lost in the woods	
A lit path eludes me and I think
