

Fill in the gaps

		Not to conquer but to share in the view	
Walking alone (1)	'cause	You're a bonfire and I'm (16)	'round you
've only got room for two		Set this old black heart (17)	aflame
Me and my (2)	(3) heart	Send it away	
t's all we know how to do		Send it away	
Yet I (4) for a bigger bang		Send it away	
Than the kind I (5)	see	Send it away	
Sick of all (6) inertia I want you to mend me		Send it away (send it away)	
_over, can you (7) me?		Send it away (send it away)	
'm a child lost in the woods		Send it away (send it away)	
A (8) heart pollutes me and I think		Send it (18) (send it away)	
You're a mountain that I'd lik	ke to climb	You're a mountain that I'd (19)	to climb
Not to (9) but to share in the view		Not to conquer but to share in the view	
Pulled by a (10) inertia		You're a bonfire and I'm (20)	'round you
Pushed out by circumstance		Set this old black heart inertia aflame	
Pistol firing at my feet that's		Set it aflame, send it away	
Coercing me to dance		Set it aflame, (21) it away	
Yet I look for a (11) bang		Set it aflame, (22) it away	
Than the kind I'm sorry to know		Set it aflame, send it away	
Here I am first foot of the climb, watch me go		Set it aflame, send it away	
_over, can you (12)	me?	Set it aflame, send it away	
'm a child lost in the woods			
A lit path eludes me and I th	ink		
You're a (13)	(14)	ľd
