Black Heart Inertia by Incubus

You're a mountain that I'd like to climb

Fill in the gaps

		Not to conquer but to (9)	in the view
Walking alone tonight 'cause		You're a bonfire and I'm gathered 'round you	
e only got room for two		Set this old black heart inertia aflame	
e and my burdened black heart		Send it away	
s all we know how to do		Send it away	
Yet I look for a bigger bang		Send it away	
Than the (1) I (2)	see	Send it away	
Sick of all (3) inertia I want you to mend me		Send it away (send it away)	
Lover, can you help me?		Send it away (send it away)	
I'm a child (4) in the woods		Send it away (send it away)	
A black heart pollutes me and I think		Send it away (send it away)	
You're a (5) that I'd like to climb		You're a mountain that I'd like to climb	
Not to conquer but to share in the view		Not to conquer but to (10)	_ in the view
Pulled by a false inertia		You're a bonfire and I'm gathered 'round you	
Pushed out by circumstance	Set this old black heart inertia aflame		
Pistol firing at my feet that's		Set it aflame, send it away	
Coercing me to dance		Set it aflame, send it away	
et I look for a bigger bang		Set it aflame, send it away	
Than the (6) I'm (7) to know		Set it aflame, send it away	
Here I am first foot of the climb, watch me go		Set it aflame, send it away	
Lover, can you help me?		Set it aflame, send it away	
I'm a child (8) in the woods			
A lit path eludes me and I think
