

Fill in the gaps

From the get-go, I knew this was hard to hold		We're (6)	_ a time bomb
Like a crash, the (1)	thing spun out of control	Gonna lose it	
(Oh) on a wire, we were dancing		Let's diffuse it	
Two kids, no consequences		Baby, we're (7) a time bomb	
Pull the trigger without thinking		But I need it	
There's only one way down this road		Wouldn't have it any other way	
It was like a time bomb set into motion		Got my heart in your hands	
We knew that we were destined to explode		Like a time bomb ticking	
And if I had to pull you out of the wreckage		It goes off; we start again	
You know I'm never gonna let you go		When it breaks, we fix it	
We're like a time bomb		Got your heart in my hands	
Gonna lose it		Like a time bomb ticking	
Let's diffuse it		We should (8) better	
Baby, we're like a (2) bomb		But we won't let go	
But I need it		It was like a time bomb set into motion	
Wouldn't (3) it any other way		We knew that we were destined to explode	
Well, there's no way out of this, so let's stay in		And if I had to pull you out of the wreckage	
Every storm that comes also comes to an end		You know I'm never gonna let you let me go	
(Oh) resistance is useless		We're like a time bomb	
Just two kids stupid and fearless		Gonna (9) it	
Like a bullet shooting the lovesick		Let's (10)	it
There's only one way down this road		Baby, we're like a time bomb	
It was like a (4) bomb set into motion		But I need it	
We knew that we were (5) to explode		Wouldn't have it any other way	
And if I had to pull you out of the			
You know I'm never gonna let you	u go
