(9)____ on

I'm tired of waiting		To rescue the state of my heart
An' (1) my eyes		I'm looking for love
I'm asking myself		An' finding (5) heartache
Why is it all my horizons		I'm looking for love
Are so far away		An' finding only heartache
I look in the mirror		I'm looking for love to rely on
Don't like what I see		Looking for love, a shoulder to cry on
In my reflection		I'm looking for love
A stranger is staring at me		To rescue the state of my heart
Looking for love		To rescue the state of my heart
The love of a woman		I'm (6) for love
The needs of a man		An' (7) only heartache
And I try so hard to believe		I'm looking for love
But I don't understand		An' finding only heartache
The (2) goes on		I'm looking for love to rely on
But over the mountains		Looking for love, a shoulder to cry on
Across the sea		I'm looking for love
I know love is waiting		To rescue the state of my heart
I hear it calling to me		I'm looking for love
Calling my name		An' finding only heartache
I'm looking for love all (3)	me	I'm looking for love
Looking for love to surround me		An' finding only heartache
The love that I need		I'm looking for (8) to (9)
To rescue the state of my heart, yeah		Looking for love, a shoulder to cry on
Alone again, it's always the same		I'm looking for love
Well, I've just been marking my time		To rescue the state of my heart
Since the day I was born		To (10) the state of my heart
With no one to blame		To rescue the state of my heart
The candle is burning		To rescue the state of my heart
It's way down low		
I just need someone		
To show me the way		
The way to go, which way to go		
I'm looking for love all (4)	me	
Looking for love to surround me		
The love that I need
