

Over You by Daughtry

Fill in the gaps

Now (1)_____ it's all said and done
I can't believe you were the one
To build me up then tear me down
Like an old (2)_____ house
And what you said when you left
Just left me cold and out of breath
I fell too far, was in way too deep
Guess I let you get the best of me...
Well, I never saw it coming
I should've started running
A long, long time ago
And I never thought to doubt you
I'm better off without you
More than you, more than you know
I'm slowly getting closure
I guess it's really over
I'm finally (3)_____ better
Now I'm picking up the pieces
I'm spending all of these years
Putting my heart back together
'Cause the day I thought I'd never get through
I got over you
You took a hammer to these walls
Dragged the memories down the hall
Packed your bags and walked away
There was nothing I could say
And when you slammed the front door shut
A lot of others opened up
So did my eyes so I could see
That you never were the best for me
Well, I never saw it coming
I should've started running
A long, long time ago
And I never thought to doubt you
I'm better off without you
More than you, more than you know

I'm slowly getting closure
I guess it's really over
I'm finally getting better
Now I'm picking up the pieces
I'm spending all of these years
Putting my heart back together
'Cause the day I thought I'd (4)_____ get through
I got over you
Well, I never saw it coming
I should've started running
A long, long time ago
And I never thought to doubt you
I'm better off without you
More than you, more than you know
Well, I (5)_____ saw it coming
I should've started running
A long, (6)_____ (7)_____ ago
And I never (8)_____ to doubt you
I'm better off without you
More than you, more than you know
I'm slowly getting closure
I guess it's really over
I'm finally getting better
Now I'm picking up the pieces
I'm spending all of these years
Putting my (9)_____ back together
I'm (10)_____ my heart back together
'Cause I got over you...
I got over you
I got over you
'Cause the day I thought I'd never get through
I got over you
...

Fill in the gaps

Answer

1. that
