

I'm staring out into the night

Fill in the gaps

rying to nide the pain
I'm going to the (1) where love
And feeling good don't ever (2) a thing
And the pain you feel's a different kind of pain
I'm going home
Back to the place where I belong
And where your love has always been enough for me
I'm not running from
No, I think you got me all wrong
I don't regret this life I chose for me
But these places and these faces are getting old
So I'm going home
Well I'm going home
The miles are getting longer, it seems
The closer I get to you
I've not always been the best man or friend for you
But your love, remains true
And I don't know why
You always seem to give me another try
So I'm going home
Back to the (3) (4) I belong
And where your love has always been
Enough for me

No, I think you got me all wrong I don't regret this life I chose for me But these places and (5) faces are getting old Be careful what you wish for 'Cause you just (6) get it all You just might get it all And then some you don't want Be careful what you wish for 'Cause you (7) (8) get it all You just might get it all, yeah Oh, well I'm going home Back to the place where I belong
