## Ships In The Night by Mat Kearney

Like ships in the night

## Fill in the gaps

Like ships in the night		And I'm at the airport waiting on a second plane	
You keep passing me by		Had to pack and you had cramps and I was late	
We're just wasting time		Headed to a red carpet they won't know my name	
Trying to prove who's right		Riding in silence all that we wanna say	
And if it all goes crashing into the sea		About to board when you call on the phone	
If it's just you and me		You say "I'm sorry, I'll be waiting at home"	
Trying to find the light		Feels like we're learning this out on our own	
Like ships in the night letting (1) balls fly		Trying to find a way down the road we don't know	
Say what you (2) and it turns to a fight		Turn the (8) down low	
Fist fly from my mouth as it turns south		Walk these halls alone	
You're down the driveway		We can feel so far from so close	
I'm on the couch		Like ships in the night	
Chasing your dreams since the (3)	5th	You keep passing me by	
grade		We're just wasting time	
Trying to believe in your silent own way		Trying to (9) who's right	
'Cause we'll be ok		And if it all goes (10)	_ into the sea
I'm not going away		If it's just you and me	
Like you watched at fourteen		Trying to find the light	
As it went down the drain		Like ships in the night	
And pops stayed the same		You're passing me by	
And your moms moved away		You're passing me by	
How many of our parents		Like ships in the night	
Seem to (4) it anyway		And I'm gonna find my way	
We're just fumbling through the grey		Back to your side	
Trying find a heart that's not walking away		Like ships in the night	
Turn the lights down low		You keep passing me by	
Walk these halls alone		We're just wasting time	
We can feel so far from so close		Trying to prove who's right	
Like (5) in the night		And if it all goes crashing into the sea	
You keep (6) me by		If it's just you and me	
We're just wasting time		Trying to find the light	
Trying to (7) who's right		Like ships in the night	
And if it all goes crashing into the sea		You're passing me by	
If it's just you and me		You're passing me by	
Trying to find the light		Like ships in the night	
Like ships in the night			
You're passing me by			
You're passing me by
