Shing In The Night by Me

Ships In The Night by Mat Kearney

Like ships in the night	And I'm at the airport (17) on a second
You keep passing me by	plane
We're just (1) time	Had to pack and you had (18) and I was late
Trying to prove who's right	Headed to a red carpet they won't know my name
And if it all goes crashing into the sea	Riding in (19) all (20) we wanna
If it's just you and me	say
Trying to find the light	About to board (21) you call on the phone
Like ships in the (2) letting cannon	You say "I'm sorry, I'll be waiting at home"
(3) fly	Feels like we're learning this out on our own
Say what you mean and it turns to a fight	Trying to find a way down the road we don't know
Fist fly (4) my (5) as it turns south	Turn the lights (22) low
You're down the driveway	Walk these halls alone
I'm on the couch	We can (23) so far from so close
Chasing (6) dreams since the violent 5th grade	Like ships in the night
Trying to believe in (7) (8) own	You keep passing me by
way	We're just wasting time
'Cause we'll be ok	Trying to prove who's right
I'm not going away	And if it all goes crashing into the sea
Like you watched at fourteen	If it's just you and me
As it went down the drain	Trying to find the light
And pops stayed the same	Like ships in the night
And your moms (9) away	You're passing me by
How many of our parents	You're passing me by
Seem to make it anyway	Like ships in the night
We're (10) fumbling through the grey	And I'm gonna find my way
Trying (11) a heart that's not walking away	Back to your side
Turn the lights down low	Like ships in the night
Walk (12) halls alone	You keep passing me by
We can (13) so far from so close	We're just (24) time
Like ships in the night	Trying to prove who's right
You keep passing me by	And if it all goes (25) into the sea
We're just wasting time	If it's just you and me
Trying to prove who's right	Trying to find the light
And if it all goes crashing into the sea	Like (26) in the night
If it's just you and me	You're passing me by
Trying to find the light	You're (27) me by
Like ships in the night	Like ships in the night
You're (14) me by	
You're (15) me by	
Like (16) in the night
