Ships In The Night by Mat Kearney

Like ships in the night

Fill in the gaps

Like ships in the night	And I'm at the (11) waiting on a second
You keep passing me by	plane
We're just (1) time	Had to pack and you had cramps and I was late
Trying to prove who's right	Headed to a red carpet they won't know my name
And if it all goes crashing into the sea	Riding in silence all that we wanna say
If it's (2) you and me	About to board when you call on the phone
Trying to find the light	You say "I'm sorry, I'll be waiting at home"
Like ships in the night letting cannon balls fly	Feels like we're (12) (13) out
Say what you (3) and it turns to a fight	on our own
Fist fly from my (4) as it turns south	Trying to find a way down the road we don't know
You're down the driveway	Turn the lights down low
I'm on the couch	Walk these halls alone
Chasing your dreams since the violent 5th grade	We can feel so far from so close
Trying to believe in your silent own way	Like ships in the night
'Cause we'll be ok	You keep passing me by
I'm not going away	We're (14) wasting time
Like you watched at fourteen	Trying to (15) who's right
As it went down the drain	And if it all goes crashing into the sea
And pops stayed the same	If it's just you and me
And (5) moms (6) away	Trying to (16) the light
How many of our parents	Like ships in the night
Seem to make it anyway	You're passing me by
We're just fumbling through the grey	You're (17) me by
Trying (7) a heart that's not walking away	Like ships in the night
Turn the lights down low	And I'm gonna find my way
Walk these halls alone	Back to (18) side
We can feel so far from so close	Like (19) in the night
Like (8) in the night	You (20) passing me by
You keep passing me by	We're just (21) time
We're just wasting time	Trying to prove who's right
Trying to prove who's right	And if it all goes (22) into the sea
And if it all goes crashing into the sea	If it's (23) you and me
If it's (9) you and me	Trying to (24) the light
Trying to find the light	Like ships in the night
Like (10) in the night	You're (25) me by
You're passing me by	You're passing me by
You're passing me by	Like ships in the night
