

Fill in the gaps

Speed Of Sound by Coldplay

How long (1)_____ I get in?
Before it starts, before I begin
How long before you decide?
Before I know what it feels like
Where to? Where do I go?
If you've (2)_____ tried (3)_____ you'll never
know
How long do I have to climb
Up on the side of this (4)_____ of mine?
Look up, I look up at night
Planets are (5)_____ at the speed of light
Climb up, up in the trees
Every chance that you get
Is a Chance you seize
How long am I gonna stand
With my head (6)_____ under the sand?
I'll stop before I can stop
Or before I see things the right way up
All that noise and all that sound
All those places I got found
And birds go flying at the (7)_____ of sound
To show you how it all began
Birds came flying from the underground
If you could see it then you'd understand
Ideas that you'll (8)_____ find
Or the inventors could never design

The buildings that you put up
Or Japan and China, all lit up
The sign that I couldn't read
Or a light that I couldn't see
Some things you have to believe
But others are puzzles, (9)_____ me
All that noise and all that sound
All those places I got found
And birds go flying at the speed of sound
To show you how it all began
Birds came flying from the underground
If you could see it then you'd understand
(Oh) when you see it then you'll understand
All those signs I knew what they meant
Some things you can't invent
Some get made and some get sent
...
Birds go flying at the speed of sound
To show you how it all began
Birds came flying from the underground
If you could see it then you'd understand
(Oh) when you see it (10)_____ you'll understand
