Traffic crawls	(Oh) I know he is there
Cell phone calls	Yeah, I know he's there
Talk (1) screams at me	Hello world
Through my tinted window I see	How've you been?
A little girl	Good to see you my old friend
Rust red minivan	Sometimes I feel
She's got	As (6) as steel
Chocolate on her face	And broken (7) I'm never going to hea
Got little hands	I see a light
And she waves at me	A little grace
Yeah, she smiles at me	A (8) faith unfurled
Hello world	Hello world
How've you been?	Sometimes I forget what living's for
Good to see you my old friend	And I (9) my life through my front door
Sometimes I feel	And I'll be there
Cold as steel	(Oh) I'm home again
Broken like I'm never gonna heal	I see my wife
see a light	My little boy
