Walking down the highway	Knew (15) I (16) you
Traffic's (1) my way	The moment that I saw you
All I see are flashing lights	Just terrified you'd push me away
People there in blue suits	We're all (17) slowly
Wanna know the real truth	Just want you to (18) me
How many did I have tonight?	What are we waiting for?
Looking at the wreckage	We're alive
Anyone would guess (2) all inside had died	No I didn't pray to God
But I'm alive	No I never saw the light
Wake up in a (3) bed	No I didn't watch my life
Angels (4) my head	Go flashing (19) before my eyes
One of (5) is (6) clear	No I didn't do the things
Thousand bolts of lightning	That (20) all said (21) I would do
Bring me back to life	I just (22) my eyes and all I saw was you
And it's a miracle (7) I'm still here	If I don't die lying in the rain
As I'm coming to I'm screaming out for you	And I live another day then I run to you
I need you by my side	'Cause I don't have regrets
(Oh) I'm alive	Just things I'd never say out to you
No I didn't (8) to God	No I didn't (23) to God
No I never saw the light	No I never saw the light
No I didn't (9) my life	No I didn't watch my life
Go (10) right (11) my	Go flashing right (24) my eyes
eyes	No I didn't do the things
No I didn't do the things	That (25) all said that I (26) do
That they all said that I would do	I just closed my eyes and all I saw was you
I (12) closed my (13) and all I saw was	
you	
All the things in my head	
Everything left unsaid	
I never got a (14) to say
