

Walking down the highway

Traffic's coming my way

All I see are flashing lights

People there in blue suits

Wanna know the real truth

How many did I have tonight?

Looking at the wreckage

Anyone would guess that all inside had died

But I'm alive

Wake up in a strange bed

Angels over my head

One of them is shouting clear

Thousand bolts of lightning

Bring me back to life

And it's a miracle that I'm still here

As I'm coming to I'm screaming out for you

I need you by my side

(Oh) I'm alive...

No I didn't pray to God

No I never saw the light

No I didn't watch my life

Go flashing right before my eyes

No I didn't do the things

That they all said (1)\_\_\_\_\_ I would do

I just closed my eyes and all I saw was you

All the things in my head

Everything left unsaid

I never got a second to say

No I never saw the light

Go flashing right before my eyes
No I didn't do the things
That they all (5) that I would do

If I don't die (6) in the rain
And I live another day then I run to you
'Cause I don't have regrets
Just things I'd never say out to you
No I didn't pray to God
No I (7) saw the light
