

Fill in the gaps

I think of you and all you've done
Tell me do you see me or have I gone?
While the whitest eyes are wasting tears
Have you (1) left me here?
I need to rush, the timing's wrong
But in another year, I could be gone
In another time, in (2) place
Would I even wake?
You told me to let go
And I had my eyes closed
Why would you wake me
If you're not gonna save me?
You make me want you
But I didn't want to
Why would you wake me
If you're not gonna save me?
I didn't (3) (4) you've become
I never thought that I'd see you run
Should have let me sleep
No you didn't need to be waking me
It's chemical, you were never mine
When I needed you, couldn't even fight
In another time, in another place
Would I even wake?

You told me to let go
And I had my eyes closed
Why would you wake me
If you're not (5) save me?
You make me want you
And I didn't want to
Why would you wake me
If you're not gonna save me?
(Oh) so just talk to me
Talk to me
(Oh) the things I hope are never meant to be
Talk to me
Please don't go
You told me to let go
And I had my (6) closed
Why would you wake me
If you're not (7) save me?
You (8) me want you
And I didn't want to
Why would you wake me
If you're not gonna save me?
You were never ready to save me
