Hunting High And Low by Stratovarius

I feel the (1) in my hair	I am (7) high and low
And it's whispering, (2) me things	Diving from the sky above
Of a storm (3) is gathering near	Looking for, more and more, once again
Full of power I'm spreading my wings	I'm hunting high and low
Now I'm leaving my worries behind	Sometimes I may win, sometimes I'll lose
Feel the freedom of body and mind	It's just a game that I play
I'm starting my journey	I am hunting (8) and low
I'm drifting away with the wind, I go	Diving from the sky above
I am (4) high and low	Looking for, more and more, once again
Diving from the sky above	I'm hunting (9) and low
Looking for, (5) and more, once again	Sometimes I may win, sometimes I'll lose
I'm hunting high and low	It's just a game that I play
Sometimes I may win, sometimes I'll lose	Hunting high and low
It's just a game that I play	Diving from the sky above
After the (6) there's a calm	Looking for, more and more, once again
Through the clouds shines a ray of the sun	Hunting high and low
I'm carried from all of my harm	Sometimes I may win, sometimes I'll lose
There is no one that I can't outrun	It's just a game that I play
Now I'm leaving my worries behind	(Hunting high and low)
Feel the freedom of body and mind	
I'm starting my journey
