

## Fill in the gaps

Once again I try to make things work
Facing all the (1) of society
Searching all the answers of the life
I'll never make it on my own
Was I meant to (2) everytime
Seems to me that's my destiny
Is this all that's left to me
Confusion and bad memories
But now my (3) has come
No more (4) in the dark
I want much more than this
I really (5) it all
Against the wind we run
To every place under the sun
We've got so much power inside
We will (6) give up
Against the wind we go
Towards the new shore
Together we'll forget the sorrow

It's forever gone
Against the wind we run
To every place under the sun
We've got so (7) power inside
We will never give up
Against the wind we go
Towards the new shore
Together we'll (8) the sorrow
It's forever gone
Against the wind we run
To every (9) under the sun
We've got so much power inside
We will never give up
Against the wind we go
Towards the new shore
Together we'll forget the sorrow
It's forever gone
