

It's easy to achieve

## Fill in the gaps

Can't you see I'm (1)	bothered by persistance	You cry to weak friends that sympathize	
One step from lashing out at you		Can you (4) the violins playing your song?	
You want in to get under my skin		Those same (5)	tell me your every word
And call yourself a friend		Is there no (6)	anymore?
've got more friends like you		What it takes, who I am, where I've been	
What do I do?		Belong	
s there no (2)	anymore?	You can't be something you're r	not
What it takes, who I am, where I've been		Be yourself, by yourself	
Belong		Stay away from me	
You can't be something you're not		A lesson learned in life	
Be yourself, by yourself		Known from the dawn of time	
Stay away from me		(Chorus)X 2	
A lesson learned in life		Re, Spect, walk, what did you say??	
Known from the (3) of time		Re, Spect, walk, are you (7)	to me???
(Chorus)		Are you (8) to me??	
Re, Spect, walk, what did you say??		No way (9)	
Re, Spect, walk, are you talking to me????		(Chorus)X 2	
Are you talking to me??		Are you talking to me?	
Run your mouth when I'm not around		Walk on home boy
