The Pursuit Of Vikings by Amon Amarth

The warming sun returns again	A ram is sacrificed
And melts away the snow	Across the longship's bow
The sea is (1) from icy chains	And as we set our sails
Winter is (2) go	A strong breeze starts to blow
Standing on the ocean side	It carries us out to sea
We can hear the waves	With hope of fame and pride
Calling us out with tide	And glorious all will be
To sail into our fate	That with sword in hand will die
Oden!	Oden!
Guide our ships	Guide our ships
Our axes, spears and swords	Our Axes, (7) and swords
Guide us (3)(4)	Guide us (8) (9) that whip
(5) whip	And in brutal war
And in brutal war	Oden!
Our ships await us by the shore	Guide our ships
Time has come to leave	Our Axes, spears and swords
Our country, family and homes	Guide us (10) storms that whip
For riches in the east	And in brutal war
Some of us won't return	
But (6) won't bring us down	
Our fate is written in the web
