

## Fill in the gaps

## Runes To My Memory by Amon Amarth

We rode the (1) of the (2)	I tilt my head to the side
trail	And think of those (14) home
Deep in the (3) of the Rus'	I see the (15) by
Following the wind in our sails	Like (17) (18) from my wound
And the (4) of the oars	Here I lie on wet sand
No shelter in (5) hostile land	I will not (19) it home
Constantly on guard	I clinch my (20) in my hand
Ready to (6) and defend	Say farewell to (21) I love
Our ship 'til the (7) end	When I am dead
We (8) attack	Lay me in a mound
I received a deadly wound	Place my weapons by my side
A spear was forced into my back	For the journey to Hall up high
Still I fought on	When I am dead
When I am dead	Lay me in a mound
Lay me in a mound	Raise a stone for all to see
Raise a stone for all to see	Runes carved to my memory
Runes (10) to my memory	To my memory
Here I lay on the (11) bank	To my memory
A long, (12) way from home	
Life is pouring out of me	
Soon I (13) be gone
