### They Don't Know About Us by One Direction

People say we shouldn't be together	They don't know about us
We're too young to know about forever	They don't know how special you are
But I say they don't know	They don't know what you've done to my heart
What they talk talk talkin' about	They can say anything they want
(Talk talk talkin' about)	'Cause they don't know about us
'Cause this love is only getting stronger	They don't know what we do best
So I don't wanna wait any longer	That's between me and you our little secret
I just wanna tell the world (1) you're mine girl	But I wanna tell 'em
(Oh)	I (4) tell the world (5) you're mine
They don't know about the things we do	girl
They don't know about the I love you's	They don't know about the things we do
But I bet you if they (2) knew	They don't (6) about the I love you's
They will just be jealous of us	But I bet you if they only knew
They don't know about the up all night's	They will just be jealous of us
They don't know I've waited all my life	They don't know about the up all night's
Just to fall in love it feels this right	They don't know I've waited all my life
Baby they (3) know about	Just to find a love (7) feels this right
They don't know about us	Baby they don't know about
Just one touch and I was a believer	They don't know about the (8) we do
Every day it gets a little sweeter	They don't know about the I love you's
It's getting better	But I bet you if they (9) knew
Keeps getting better all the time girl	They will just be jealous of us
They don't know about the things we do	They don't know (10) the up all night's
They don't know about the I love you's	They don't know I've waited all my life
But I bet you if they only knew	Just to find a love that feels this right
They will just be jealous of us	Baby they don't know about
They don't know about the up all night's	They don't know about us
They don't know I've waited all my life	They don't know about us
