A destiny without you

Fill in the gaps

Silence by Michael Kiske & Amanda Somerville

Is it just a dream	I'm running in the night
Or is it just a deja vu from nowhere?	Got nowhere (8) to hide
I hide myself	I'm looking through this wounding (9) inside me
My feelings where hurt long ago	I'm walking without aim
Just curious in the middle of a (1) road	No destination pouring rain
I turn myself away through the day	Or is it just the end my lonely road
I'm (2) in the night	I am ready for a fight
Got nowhere (3) to hide	No matter how you try
I'm looking through this wounding heart inside me	I would be the one surviving without fortress
I'm walking (4) aim	I would mend my broken heart
No destination pouring rain	You can't tear it apart
Or is it (5) the end my lonely road	Or is it just the end my lonely road
Hear it now	Hear it now
I (6) how can feelings hurt	I wonder how can (10) hurt
Hear it now	Hear it now
When silence speaks louder than words	When silence speaks louder than words
No regret	Hear it now
Another morning in another place	I walk the boulevard of lonely dreams
No looking back,	Hear it now
Just turn myself away	No matter if
There is innocence	If my end is near
And silence (7) starts long ago
