

Fill in the gaps

Silence by Michael Kiske & Amanda Somerville

Is it just a dream	I'm running in the night
Or is it just a déjà vu from nowhere?	Got nowhere else to hide
I hide myself	I'm looking through (5)_____ (6)_____
My feelings where hurt long ago	heart inside me
Just curious in the middle of a lonely road	I'm walking without aim
I turn (1)_____ away through the day	No destination pouring rain
I'm running in the night	Or is it just the end my lonely road
Got nowhere else to hide	I am ready for a fight
I'm looking through this wounding (2)_____ inside me	No matter how you try
I'm walking without aim	I (7)_____ be the one surviving without fortress
No destination pouring rain	I (8)_____ mend my broken heart
Or is it just the end my lonely road	You can't (9)_____ it apart
Hear it now	Or is it just the end my lonely road
I (3)_____ how can feelings hurt	Hear it now
Hear it now	I wonder how can feelings hurt
When silence speaks louder than words	Hear it now
No regret	When silence speaks louder than words
Another (4)_____ in another place	Hear it now
No looking back,	I walk the boulevard of lonely dreams
Just turn myself away	Hear it now
There is innocence	No (10)_____ if
And silence that starts long ago	If my end is near
A destiny without you
