

You got it Anything at all

## Fill in the gaps

| Every (1)             | _ I look into (2) | lovely eyes | You got it                     |              |
|-----------------------|-------------------|-------------|--------------------------------|--------------|
| I see a (3)           | that money (4)    | can't buy   | Baby                           |              |
| One look              |                   |             | Anything you (7)               | (you got it) |
| From you              |                   |             | Anything you need (you got it) |              |
| I drift               |                   |             | Anything at all                |              |
| Away                  |                   |             | (You got it)                   |              |
| I pray                |                   |             | I'm glad                       |              |
| That you              |                   |             | To give                        |              |
| Are here              |                   |             | My love                        |              |
| To stay               |                   |             | To you                         |              |
| Anything you want     |                   |             | l know                         |              |
| You got it            |                   |             | You feel                       |              |
| Anything you need     |                   |             | The way                        |              |
| You got it            |                   |             | I do                           |              |
| Anything at all       |                   |             | Anything you want              |              |
| You got it            |                   |             | You got it                     |              |
| Baby                  |                   |             | Anything you need              |              |
| Every time I (5) you  |                   |             | You got it                     |              |
| I (6) to understand   |                   |             | Anything at all                |              |
| Everything about you  |                   |             | You got it                     |              |
| Tells me I'm your man |                   |             | Baby                           |              |
| I live                |                   |             | Anything you want              |              |
| My life               |                   |             | You got it                     |              |
| To be                 |                   |             | Anything you need              |              |
| With you              |                   |             | You got it                     |              |
| No one                |                   |             | Anything at all                |              |
| Can do                |                   |             | You got it                     |              |
| The things            |                   |             | Baby                           |              |
| You do                |                   |             | Anything at all (you got it)   |              |
| Anything you want     |                   |             | Baby                           |              |
| You got it            |                   |             | You got it                     |              |
| Anything you need     |                   |             |                                |              |
