## You Got It (Live) by Roy Orbison

You got it Anything at all

## Fill in the gaps

| Every                 | (1)      |      | (2)   | (3)                 | your                           | You got it                   |              |
|-----------------------|----------|------|-------|---------------------|--------------------------------|------------------------------|--------------|
| (4) eyes              |          |      |       |                     | Baby                           |                              |              |
| I see a               | (5)      | th   | nat m | oney just can't buy |                                | Anything you (8)             | (you got it) |
| One look              |          |      |       |                     | Anything you need (you got it) |                              |              |
| From you              |          |      |       |                     | Anything at all                |                              |              |
| I drift               |          |      |       |                     |                                | (You got it)                 |              |
| Away                  |          |      |       |                     |                                | I'm glad                     |              |
| I pray                |          |      |       |                     | To give                        |                              |              |
| That you              |          |      |       |                     | My love                        |                              |              |
| Are here              |          |      |       |                     |                                | To you                       |              |
| To stay               |          |      |       |                     |                                | I know                       |              |
| Anything you want     |          |      |       |                     |                                | You feel                     |              |
| You got it            |          |      |       |                     | The way                        |                              |              |
| Anything you need     |          |      |       |                     | I do                           |                              |              |
| You got it            |          |      |       |                     |                                | Anything you want            |              |
| Anything at all       |          |      |       |                     |                                | You got it                   |              |
| You got it            |          |      |       |                     | Anything you need              |                              |              |
| Baby                  |          |      |       |                     |                                | You got it                   |              |
| Every time I hold you |          |      |       |                     |                                | Anything at all              |              |
| I begin to understand |          |      |       |                     |                                | You got it                   |              |
| Everything (6) you    |          |      |       |                     |                                | Baby                         |              |
| Tells me I'm (7) man  |          |      |       |                     |                                | Anything you want            |              |
| I live                |          |      |       |                     |                                | You got it                   |              |
| My life               |          |      |       |                     |                                | Anything you need            |              |
| To be                 |          |      |       |                     |                                | You got it                   |              |
| With you              |          |      |       |                     |                                | Anything at all              |              |
| No one                |          |      |       |                     | You got it                     |                              |              |
| Can do                |          |      |       |                     | Baby                           |                              |              |
| The things            |          |      |       |                     |                                | Anything at all (you got it) |              |
| You do                |          |      |       |                     |                                | Baby                         |              |
| Anything you want     |          |      |       |                     |                                | You got it                   |              |
| You go                | ot it    |      |       |                     |                                |                              |              |
| Anythii               | ng you r | need |       |                     |                                |                              |              |
