They only fill us with the stuff that they want

Did you know?

Did you know?

He's nearly finished with the preparations for the day

Fill in the gaps

He's getting tired that'll do for now		
They are preparing for the very worst to come to them		
Getting ready when the (18) wind blows		
He sees the picture on the wall it's falling down		
Upside down		
He sees a teardrop from his wife roll down her face		
Saying grace		
Remember time they had		
They flash (19) (20) his mind		
Left behind		
Of a lifetime spent together long ago		
Will be gone		
They've been preparing for some weeks now		
For when the crucial (21) comes		
To take their refuge in the shelter		
Let them prepare for what will come		
They (22) a tea and sit there waiting		
They're in the shelter (23) snug		
Not long to wait for absolution		
Don't make a fuss just sit and wait		
Can't believe all the lying		
All the screens are denying		
That the moments of truth (24) begun		
Can't you see it on the T.V.		
Don't believe them in the least bit		
Now the days of our ending have begun		
Say a prayer (25) it's all over		
Survivors unite all as one		
Got to try and help each other		
Got the will to overcome		
I can't believe all the lying		
All the screens are denying		
That the moments of truth have begun		
Can't you see it on the T.V.		
Don't believe them in the least bit		
Now the days of our ending have begun		
When they found them		
Had (26) arms (27) around		
(28) other		
Their tins of poison laying nearby their clothes		
The day they both mistook an earthquake		
For the fall out		
Just another when the wild wind blows
