|--|--|--|--|--|
| Have you heard what they said on the news today  |  |  |  |  |
| Have you heard what is coming to us all          |  |  |  |  |
| That the world as we know it                     |  |  |  |  |
| Will be coming to an end                         |  |  |  |  |
| Have you heard?                                  |  |  |  |  |
| Have you heard?                                  |  |  |  |  |
| He sees them in the distance                     |  |  |  |  |
| Where the darkened clouds roll                   |  |  |  |  |
| He can feel tension in the atmosphere            |  |  |  |  |
| He would look in the mirror                      |  |  |  |  |
|  |  |  |  |  |
| See an old man now                               |  |  |  |  |
| Does it matter they survive somehow              |  |  |  |  |
| They said there's nothing                        |  |  |  |  |
| Can be done about the situation                  |  |  |  |  |
| They say there's (1) we can do at all            |  |  |  |  |
| To sit and wait around for something to occur    |  |  |  |  |
| Did you know?                                    |  |  |  |  |
| Did you know?                                    |  |  |  |  |
| As he (2) across the garden                      |  |  |  |  |
| Looking at the mea dows                          |  |  |  |  |
| Wonders if they'll ever grow again               |  |  |  |  |
| The desperation of the situation getting graver  |  |  |  |  |
| Getting ready when the wild wind blows           |  |  |  |  |
| Have you seen what they said on the news today   |  |  |  |  |
| Have you heard (3) they said about us all        |  |  |  |  |
| Do you (4) what is happening                     |  |  |  |  |
| To just everyone of us                           |  |  |  |  |
| Have you heard?                                  |  |  |  |  |
| Have you heard?                                  |  |  |  |  |
| There will be a catastrophe (5) like we've never |  |  |  |  |
| seen   |  |  |  |  |
| There will be something that will light the sky  |  |  |  |  |
| That the world as we know it                     |  |  |  |  |
| It will never be the same                        |  |  |  |  |
| Did you know?                                    |  |  |  |  |
| Did you know?                                    |  |  |  |  |
| He (6) everything into the                       |  |  |  |  |
| (7) not a fuss                                   |  |  |  |  |
| Getting (8) when the moment comes                |  |  |  |  |
|  |  |  |  |  |
| He has enough (9) to last them for a             |  |  |  |  |
| (10) or two                                      |  |  |  |  |
| Good to have because you never know              |  |  |  |  |
| They tell us nothing (11) we don't               |  |  |  |  |
| (12) know about                                  |  |  |  |  |
| They call till us with the attiff that they want |  |  |  |  |
| They only fill us with the stuff that they want  |  |  |  |  |
| Did you know?                                    |  |  |  |  |

He's nearly finished with the preparations for the day
