### Fill in the gaps

### When The Wild Wind Blows by Iron Maiden

Have you heard what they said on the news today
Have you heard what is coming to us all
That the world as we know it
Will be (1) to an end
Have you heard?
Have you heard?
He sees them in the distance
Where the darkened clouds roll
He can feel tension in the atmosphere
He would look in the mirror
See an old man now
Does it matter they survive somehow
They said there's nothing
Can be done about the situation
They say there's nothing we can do at all
To sit and wait around for something to occur
Did you know?
Did you know?
As he stares across the garden
Looking at the mea dows
Wonders if they'll ever grow again
The desperation of the situation getting graver
Getting ready when the wild wind blows
Have you seen what they (2) on the news today
Have you heard what they (3) about us all
Do you know (4) is happening
To just (5) of us
Have you heard?
Have you heard?  There will be a cotestrophe that like we've (6)
There will be a catastrophe that like we've (6)
Seen There will be competing that will light the class
There will be something that will light the sky
That the world as we (7) it
It will never be the same
Did you know?
Did you know?
He carries everything (8) the shelter not a fuss
Getting ready when the moment comes
He has enough supplies to last (9) for a year or
two
Good to have because you never know
They (10) us nothing that we don't already know
about
They tell us nothing that is real at all
They only fill us with the stuff that they want
Did you know?
Did you know?

# He's minished with the preparations for

## Fill in the gaps

the day

He's getting tired that'll do for now
They are preparing for the very worst to come to them
Getting ready when the (12) tlay blows
He sees the picture on the wall it's falling down
Upside down
He sees a teardrop from his wife (14) down her
face
Saying grace
Remember time they had
They (15) right through his mind
Left behind
Of a lifetime (16) together (17) ago
Will be gone
They've been preparing for some (18) now
For when the crucial moment comes
To (19) their (20) in the shelter
Let them prepare for what (21) come
They make a tea and sit there waiting
They're in the shelter feeling snug
Not long to wait for absolution
Don't make a (22) just sit and wait
Can't believe all the lying
All the screens are denying
That the moments of truth have begun
Can't you see it on the T.V.
Don't believe them in the least bit
Now the days of our ending have begun
Say a prayer when it's all over
Survivors unite all as one
Got to try and help each other
Got the will to overcome
I can't believe all the lying
All the (23) are denying
That the moments of truth have begun
Can't you see it on the T.V.
Don't believe them in the least bit
Now the days of our ending have begun
When they found them
Had their arms (24) around each other
Their tins of poison laying (25)
(26) clothes
The day they (27) (28) an
earthquake
For the fall out
Just another when the wild wind blows
