What's Left Of Me by Nick Lachey

Fill in the gaps

Watched my life pass me by	Falling faster
In the rearview mirror	Barely breathing
Pictures frozen in time	Give me somethin to believe in
Are becoming clearer	Tell me it's not all in my head
I don't (1) (2) another day	Take what's left of this man
Stuck in the shadow of my mistakes, yeah	Make me whole once again
'Cause I want you	'Cause I (15) you
And I feel you	And I (16) you
Crawling underneath my skin	Crawling (17) my skin
Like a hunger, (3) a burning	Like a hunger, like a burning
To find a place I've never been	To (18) the place I've (19) been
Now I'm broken, and I'm faded	Now I'm broken, and I'm faded
I'm half the man I (4) I (5) be	I'm half the man I thought I would be
But you can have	You can have, all that's left
What's left of me	
I've (6) dying inside	What's left of me
Little by little	
Nowhere to go	I've been (20) inside you see
I'm going outta my mind	I'm (21) outta my mind (outta my mind)
An endless circle	l'm (22) ir
Runnin from (7) until	(24) all the time
You gave me a (8) for standing still	Will you take what's left?
And I (9) you	Will you (25) what's left?
And I (10) you	Will you take what's left?
Crawling (11) my skin	I'm (26) runnin' in circles in my mind
Like a hunger, like a burning	Will you take what's left?
To (12) a place I've never been	Will you (27) what's left?
Now I'm broken, and I'm faded	Will you take what's left?
I'm half the man I (13) I would be	Will you take what's left of me?
But you can have	
What's (14) of me
