

And I'm tired, Effie, I'm tired

## Fill in the gaps

Mr. Shue was supposed to (1) me	Of all the problems you're makin' up
I turn my back	I always knew you two (11) together
And find myself out on the line	What?
You could've (2) me	I (12) (13) you two were
But that would've been too kind	(14) up on me
I've been (3) you for months	Kurt had nothing to do with (15) change
To clean up your act	It was you
You've been late, you've been mean	It was you, always thinking of you
Giving all kind of stupid flack	Always thinking of you
That's a lie, that's a lie	Lay off, Effie
It's just, I haven't been feeling that well	Just (16) the money and run
Effie, please	You in (17) with (18) Puck?
Stop excusing yourself	Cool it, Effie
You've (4) late, you've (5) mean	This time you (19) what you've done
And (6) fatter all the time	So they got your behind too, huh?
Now you're lyin', you're lyin'	I said, cool it, Effie.
I've never been so thin	This (20) you've (21) too far
You're lyin', you're lyin'	(Oh) I can go further. I can go further
'Cause you're knockin' off that piece	I don't wanna stay around this
Thinks she's (7) than everybody	I'm just breakin' in to this buisness
Runnin' for president	This is between all of you
She ain't better than anybody	This is none of my affair
She ain't nothin' but common	I'm not feelin' well, I got pain
Now you listen to me Ms. Blame-it-on-the-world	(Effie, we all got pain)
I put up (8) you for much too long	(Oh) for two years I stuck with you
I have put up (9) your bitchin'	I was your sister
I put up with your naggin'	(You were a trouble)
And all your screamin' too	And now you're telling me, it's all over
(Oohh) now when are you two gonna to stop	(And now telling you, it's all over)
All this fighting!?	And now, I'm telling you, I ain't goin'
Stay out of this Finn	(It's all over)
This is (10) Santana and me	I ain't goin'
Yeah! Well it's between me too	(It's all over)
I'm as much a part of this group as anybody else
