## Young And Beautiful by Lana Del Rey

I've seen the world	When I've got nothing
Done it all	But my aching soul
Had my cake now	I know you will
Diamonds, brilliant	I know you will
And Bel Air now	I know that you will
Hot summer nights	Will you still (6) me
Mid-July	When I'm no longer beautiful
When you and I (1) (2) wild	Dear Lord, when I get to Heaven
The crazy days	Please let me bring my man
City lights	When he comes, (7) me (8) you'll let
The way you'd play with me like a child	him in
Will you still love me	Father, tell me if you can
When I'm no longer	All that grace
Young and beautiful	All that body
Will you still love me	All that face
When I've got nothing	Makes me (9) party
But my aching soul	He's my sun
I know you will	He makes me shine
I know you will	Like diamonds
I know that you will	Will you still love me
Will you still love me	When I'm no longer
When I'm no longer beautiful	Young and beautiful
I've (3) the world, lit it up	Will you (10) love me
As my stage now	When I've got nothing
Channeling angels in	But my aching soul
The new age now	I know you will
Hot summer days	I know you will
Rock and roll	I know that you will
The way you'd play for me at your show	Will you still love me
And all the ways	When I'm no longer beautiful
I got to know	Will you still love me
Your pretty (4) and electric soul	When I'm no longer beautiful
Will you still love me	Will you still love me
When I'm no longer	When I'm not young and beautiful
