

Fill in the gaps

I got my (1) (2) six-string	We were young and restless
Bought it at the five-and-dime	We needed to unwind
Played it till my fingers bled	I guess nothing can last forever
Was the summer of '69	Forever, no
Me and some (3) (4) school	And now the times are changing
Had a band and we (5) real hard	Look at everything that's (16) and gone
Jimmy quit, Jody got married	Sometimes when I (17) that old six-string
Shoulda known, we'd never get far	Think about you wonder what went wrong
(Oh) when I look (6) now	Standing on your mama's porch
That summer (7) to last forever	You told me it (18) (19) foreve
And if I had the choice	(Oh) and (20) you held my hand
Yeah, I'd always (8) to be there	I knew that it was now or never
Those (9) the (10) days of my life	Those were the (21) days of my life
Ain't no use in complaining	(Oh) yeah
When you got a job to do	Back in the summer of '69
Spent my evenings down at the drive-in	(Un-huh)
And that's when I met you	It was the (22) of '69
Standing on your mama's porch	(Oh) yeah
You told me (11) you'd wait forever	Me and my (23) in '69
(Oh) and (12) you held my hand	(Ohhh)
I knew that it was now or never	It was the summer
Those (13) the (14) days of my life	The summer
(Oh) yeah	The (24) of '69
Back in the (15) of '69	
(Ohhh)	
Man we were killing time
